

JUBILATION AS IRELAND THROUGH TO WORLD CUP SEMI-FINAL

How would your newspaper like to be reincarnated?

There's never been so much important news on these pages

And with $\frac{3}{4}$ of Ireland's newsprint now being recycled, chances are today's paper will be breaking more huge stories tomorrow.

Ireland newsprint
recycling rate 2002-2008

At 75%*, our newsprint recycling rate puts Ireland among the world's elite of paper recycling.

So make a headline. Reincarnate your newspaper.
